

PERSPECTIVES ON OCEAN SCIENCE

ANNUAL CHARLES DAVID KEELING MEMORIAL LECTURE

Rosina Bierbaum, University of Michigan | Mon. May 9, 7-8 p.m. Doors open at 6:30

Dr. Rosina Bierbaum, will focus on the interface of science and policy--principally on issues related to climate change adaptation and mitigation at the national and international levels. Among her many contributions to informing climate science and policy are serving on President Obama's Council of Advisors on Science and Technology and as an Adaptation Fellow at the World Bank.

Art Auction 2016

**MCASD La Jolla
May 18, 2016 at 6:30 PM**

Join us for the local collecting community's most exciting event, MCASD's biennial Art Auction 2016. This year's auction features over 100 works from both emerging and established artists in varied mediums including paintings, sculptures, photographs, and works on paper. Raise a glass and a paddle as we raise funds for the Museum's exhibitions and education programs.
